

Elina TMV3 Inclusive Bar Diverter Mixer Shower

An inclusively designed, TMV3 approved thermostatic bar mixer shower which diverts the flow of water between a rainfall effect (drencher) fixed shower head and a 5 spray pattern, handheld shower head for added luxury, perfect for all the family.

This Elina bar diverter includes easy to grip and control, tamper proof looped lever controls and clear flow and temperature markings for ease of use for all users with varying needs and abilities. An easy to clean, hygienic design avoids the formation of dirt traps.

- Thermostatic temperature control and TMV3 approval for added peace of mind
- Diverts water between large diameter fixed (rainfall) shower head and a five spray handset
- Automatic shutdown safety feature should either the hot or cold water supplies fail
- Suitable for all pressure systems
- Separate flow and temperature controls with clear markings for ease of use
- Simple to install and maintain - Includes push fit fixings for concealed pipework
- 5 year parts and labour guarantee (UK only)
